

SEN Conversion Course - Community Health Module – October 2013

Group 25

Assignment Question

Define Health Awareness

Discuss how Health Awareness could be implemented in the community by giving examples of a programme/project of your choice

The assignment is to be not more than 2000 words and not less than 1500 and you are asked to support your work with reference to the literature. Please use double spacing when typing your assignment.

You are welcome to send the abstract of not 200 words through e-mail not later than 31st March 2014.

The finished assignment is to be handed in to Mr Vince Saliba at St Vincent de Paule Residence by not later than 30th April 2014.
