Professional Development Module
25th Intake

Jean Watson and **Madeleine Leninger** both state that “Caring is the essence of nursing.”

OR

“I attribute my success to this – I never gave or took any excuse.” - **Florence Nightingale**.

OR

Boykin & Schoenhofer’s Theory of Nursing as Caring – “Caring is the intentional and authentic presence of the nurse with another who is recognised as a person living, caring and growing in caring.”

Select **one** of the titles above as your assignment for this module. Please discuss the quote you select in an assignment of not more than 2000 words, which should be backed up with relevant rationale and references. Please hand in the assignment by not later than Friday 25th April 2014.
